

Marina Forum on Metantennas and Reconfigurable Antennas

21-24 March 2027, Orchard Hotel, Singapore

www.marinaforum.org

CALL FOR SPONSORSHIP

Dear Valued Sponsors,

The Marina Forum on Metantennas & Reconfigurable Antennas will be held on **21-24 March 2027** in Singapore! This event is organized by IEEE Singapore RFID Chapter and sponsored by local academic and professional organizations as well as companies. The international forum provides the opportunity for exchanging information on the most recent advancements in the development of metamaterials, metasurfaces, metantennas, and their fundamental principles, as well as reconfigurable antenna technologies.

Mar-For-Metantennas & Reconfigurable Antennas will continuously offer high-quality technical talks by renowned keynote, invited speakers, researchers, and talented students from all over the world. It aims to provide a broad forum of exchange for both academia and industry alike, for fostering collaboration between them. The forum will cover a broad range of topics related to metamaterials, metasurfaces, metantennas, and their fundamental principles, as well as reconfigurable antenna technologies, including frequency-, pattern-, polarization-, and compound-reconfigurable antennas enabled through electrical switching, optical switching, mechanical reconfiguration, and tunable smart materials such as liquid crystals, ferrites, metamaterials, and metasurfaces. The programme will also highlight machine learning-enabled methods, electromagnetic modeling, optimization algorithms, and emerging applications of metamaterials and reconfigurable antenna technologies across wireless, satellite, sensing, and next-generation communication systems.

We would like to invite you to become a sponsor of Marina Forum 2027, which will provide you with one of the best opportunities to publicize your company, showcase your brand to the most influential engineering audience in microwave technologies, gain visibility, and maximize the exposure of your products and services to industry leaders, influential researchers, operators, vendors, investors, and key decision makers.

Companies interested in sharing their expertise through an industry talk or technical presentation during the Forum are also welcome to express their interest. Speaking opportunities will be considered based on the Forum programme and relevance of the proposed topic. Sponsorship and speaking opportunities will be discussed separately and considered on a case-by-case basis.

You are welcome to visit our Forum website at <https://www.marinaforum.org> for more information or contact our Logistics Chair and Technical Program Co-Chair **Dr. Terence See** at Terence_See@a-star.edu.sg.

In appreciation of your support, sponsors will have their company logo (linked to company site) displayed on our Forum website, as well as during the event and on all collaterals.

We look forward to your support for this event!

Prof. Zhi Ning Chen
General Chair

Dr. Terence See
Logistics Chair &
Technical Program Co-Chair

Registration Form

Sponsorship Amount (**USD 1,500 / SGD 2,000**): Currency: _____

Company Name: _____

Company Address: _____

Contact Name: _____ Designation: _____

Telephone: _____ Mobile Phone: _____ Fax: _____

Email: _____

Signature: _____ Company Stamp: _____

Date: _____

Payment Method (please choose ONE): Internet Banking/Telegraphic Transfer

Payment Information:

Internet Banking/Telegraphic Transfer Payment: Please indicate the beneficiary name “[Exomnia Events Pte Ltd – Marina Forum](#)” in your bank document. Amount must be nett of all bank charges.

[Account Name: Exomnia Events Pte Ltd – Marina Forum](#)

[Account Number: 066-904510-7](#)

[SWIFT Code: DBSSGSG](#)

[Bank Name: DBS Bank](#)

[Bank Address: 12 Marina Boulevard, DBS Asia Central, Marina Bay Financial Centre
Tower 3, Singapore 018982](#)
